2021 Halcon Estate Reviews

Antonio Galloni, Vinous · January 2024

2021 Halcon Estate Syrah

“The 2021 Syrah is just as impressive from bottle as it was in barrel. A rush of dark plum, pomegranate and blood orange fruit saturates the palate. Strong savory and floral inflections follow, all supported by beams of tannin that give the wine its shape. Floral overtones reappear in the finish, adding brightness. This site at 2,500 feet in elevation consistently turns out super-distinctive wines. Give this a bit of time.”

2021 Halcon Estate Au Choix

“The 2021 Syrah Au Choix is a selection of the best barrels in the cellar. It offers up a heady mix of blackberry, fruit, game, licorice, incense, cloves, lavender, and black pepper. Readers will find a deep, explosively potent wine that captures the essence of cool-climate Syrah at elevation. The 2021 spent 18 months in a combination of concrete and neutral 500-liter barrels.”
